REPORT OF SCHOOL BOARD.

In submitting this, our annual report, we feel confident that our schools have maintained their usual good standing, and that they have made good progress the past year. In order to get their twenty weeks of school in Division 2, as required by law, Mr. Holmes and Mr. Nelson boarded the teacher at a discount. And we wish to call the attention of the citizens and tax payers of the change made in the School Laws made by our last Legislature, requiring every town to maintain its schools at least twenty weeks, instead of twelve. Also, of the very small amount of school money required by law as school tax to be raised, but which we feel there should be a liberal amount added too.

In each Division there has been two terms the past year.

In Division number one, both terms of 9 weeks each were taught by Miss Bessie M. Bailey, of Nelson. This was Miss Bailey's first attempt at teaching, but she came with a will determined to succeed, and good progress was made as the result.

In Division Number two, the first term of 9 weeks was taught by Miss Abbie N. Hoyt, of Bradford. This was Miss Hoyt's second term in this school, and as the teacher had the love of all the scholars and parents, a good school was the result and a good advance was made in all studies.

Second term of 11 weeks also taught by Miss Hoyt. Since our last term there has been some change in the personnel of our scholars. Mr. Dresser's folks leaving town, Mr. Griffin's came into town, so our school has been the same. The children brought a hard name with them, but the teacher went to work with a will and good common sense, and won the good will of the children, and as a result we have not had a better term of school then this has been.

The School Board take this opportunity to thank the teachers and scholars for their good work the past year.

Respectfully Submitted,

GEORGE M. RUSSELL,

JOSEPH R. NELSON,

JEFFERSON A. HOLMES.
